HOW TO ORDER  
 NIKKEN CARDIOSTRIDES  
 Women should order Cardiostrides in the same size they normally buy in athletic shoes, for a good fit with any kind of socks.  
 Men may wish to order Cardiostrides a half-size larger than they usually wear, especially if they prefer heavy athletic socks, such a Cardiosox.

**NIKKEN** Discover it. Live it

**Get to know somebody truly exceptional.**

**You.**

**HBMT**  
Humans Being More Training  
BASIC TRAINING SERIES

**WHAT IS HUMANS BEING MORE TRAINING?**

It's not some self-help program that promises to make you a different person. Instead, Humans Being More helps you to understand yourself --- to define your needs and values --- and shows you how to achieve precisely those goals that are important to you.

Humans Being More Training is an intensive, two-day experience for men and women who want to know who they are, what they truly want in life, and how to achieve it, through a self-discovery process.

**HUMANS BEING MORE TRAINING OFFERS MANY BENEFITS:**

- Take charge of your life with firm resolve.
- Gain clarity on how to reach your personal goals.
- Improve listening & communication skills.
- Achieve more control in all areas of your life.
- Learn to get the results you want, and how to help others do the same.
- See & experience real evidence that your dreams can be made real.
- Discover why people act in certain ways, & how to create lasting, deep & meaningful relationships.
- Learn about the importance of your values.
- Enjoy interacting in a way that supports your dreams & those of others.

Many attendees find the experience so rewarding that they repeat Humans Being More Training again & again. Nikken makes this even more attractive, by offering attendance at lower price rate to any repeating graduate.

More than 99% of attendees say they would recommend the course to others. It's a fantastic experience.

Attendance is subject to availability & registration must be confirmed in advance. For more information on Humans Being More Training, ask your Independent Nikken Consultant or contact Nikken at 632.6338734 loc 503/102
