HBMT
Humans Being More Training
BASIC TRAINING SERIES

WHAT IS HUMANS BEING MORE TRAINING?

It's not some self-help program that promises to make you a different person. Instead, Humans Being More helps you to understand yourself --- to define your needs and values --- and shows you how to achieve precisely those goals that are important to you.

Humans Being More Training is an intensive, two-day experience for men and women who want to know who they are, what they truly want in life, and how to achieve it, through a self-discovery process.

HUMANS BEING MORE TRAINING OFFERS MANY BENEFITS:

- Take charge of your life with firm resolve.
- Gain clarity on how to reach your personal goals.
- Improve listening & communication skills.
- Achieve more control in all areas of your life.
- Learn to get the results you want, and how to help others do the same.
- See & experience real evidence that your dreams can be made real.
- Discover why people act in certain ways, & how to create lasting, deep & meaningful relationships.
- Learn about the importance of your values.
- Enjoy interacting in a way that supports your dreams & those of others.

Many attendees find the experience so rewarding that they repeat Humans Being More Training again & again. Nikken makes this even more attractive, by offering attendance at lower price rate to any repeating graduate.

More than 99% of attendees say they would recommend the course to others. It's a fantastic experience.

Attendance is subject to availability & registration must be confirmed in advance. For more information on Humans Being More Training, ask your Independent Nikken Consultant or contact Nikken at 632.6338734 loc 503/102
